Mou Outdoor Floor Cue Rack

DESCRIPTION

The Diagonal floor cue rack for outdoors keeps all your pool accessories safe in the same place. Each accessory has its own assigned space, and there's even room for other items such as CDs, records or drink glasses. With discreet, silent wheels, you can move it around and always have it handy when you need it. The floor cue rack is manufactured in high-quality materials. It has a primer coated steel structure with a micro textured polyester paint in white or black. Its storage shelves come in Fenix, and the edging in iroko wood.
