

LEPERE

PRODUCT

Chicago Cabinet

DESCRIPTION

Cabinet collection with an elevated solid steel construction which gives stability and structure while the floating wooden cabinet adds a special impression. The table top functioning as a floating roof with its extended eaves completes the minimalistic framework combining three simple natural materials; wood, steel and stone. Natural oak or walnut veneered cabinet with glass or wooden doors. Top available in wood or marble; in various finishes. LED lighting system available.

DIMENSIONS

Various configurations and dimensions.
