**Luján + Sicilia Zona Lamps**

Francisco Luján and Jaime Sicilia designed this lamp, available in the United States from Boutique Design Products. Translucent sheets of polypropylene have been laser-cut and notched together in a clear polycarbonate frame to form the durable hardware-free shade. It comes in table, wall, and ceiling versions with a choice of seven colors.

Silver Associates: (914) 285-0200

### **Dona Living Mondrian Low Table**

This low table, designed by Lievore Altherr Molina, comes in two sizes and can be finished in wenge, natural oak, American walnut, or ebony with interior lacquer finishes in white, red, brown,

### **Paco Capdell Eboli Chair**

Vicente Soto's chairs, distributed in the United States by Eurotrend Furniture, are inspired by eighteenth-century seating, minus the ornament. They come with chrome-plated steel legs and are available with or without arms.
