

Wood Champions

by RAFAEL RODRÍGUEZ

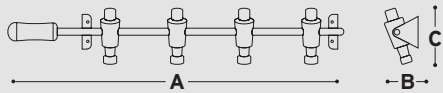

The new Wood Champions is similar to the Wall Champions we unveiled a few years ago. The RS#4fun players have leapt from the football table to the wall. And they come with custom stickers so you can give them just the right look. Thanks to this customisation system, kids can let their imaginations run free and create some very special characters to share their play area with. A set of colour marker pens and a playful attitude are all you need to create that special touch.

“On the Wood Champions coat hanger there’s room for your jacket and for your imagination”
